

This exploded view diagram illustrates the assembly of a mechanical device, likely a pump or motor. The components are numbered 1 through 55. The assembly is shown in three main sections, separated by dashed lines. The top section includes the main housing (1), a motor unit (52), and various seals and O-rings (9, 10, 11, 35, 38, 45, 55). The middle section shows the internal shaft assembly, including a shaft (15), a coupling (16), a pulley (14), and a bearing (13). The bottom section shows the base assembly, including a base plate (30), a mounting bracket (4), and various fasteners (2, 3, 4, 11, 23, 24, 25, 26, 27, 28, 29, 32, 33, 36, 37, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55). The diagram uses standard mechanical drawing conventions, including dashed lines to indicate the assembly path and alignment of the parts.
